月刊コミックジーンにて『ぼくのすきなせんせえ』連載中!!
Currently serializing "The Teacher I Like" in Monthly Comic Gene!!

Q1 What was the first song you heard from Kagerou Project?
>> It's 'Kagerou Days'. The first time I listened to it, it gave me goosebumps! "What is this!" I said, and immediately looped it. The feeling of panic was amazing and I like the story too.

Q2 What is your favorite song from Kagerou Project?
>> 'Kisaragi Attention" It's the most suitable song for going out because of its bright and cute atmosphere. I really like the change in Momo's feelings.

Q3 If you could have a character (1) from Kagerou Project as a sibling, who would it be?
>> Definitely Mary! If I can, I want all of the girl members to be my little sister, but I want Mary as a little sister! I want to make her wear cute clothes and go out with me v (even though she'll probably refuse...)

Q4 Which character from Kagerou Project would you want to hang out with?
>> It's Kido! I want to escort her stylishly!! (lol) Normally she seems to fuss over others, so I bring out her innocent smile. Then I want to choose a weird souvenir for Kano together with her...
